Every business is unique and has different legal needs. From Sole Traders and SMEs to Limited Companies and Partnerships, Just Business provide legal expertise to businesses of all sizes throughout the UK.

We invest time to understand your business goals so we can ensure that you have the best legal framework in place to achieve and protect them.

Whether you are considering a new business venture, looking to develop new products or services, entering into collaboration or investing in commercial property, seeking effective legal guidance from the outset can provide peace of mind and safeguard your business.

We make it our priority to understand your business and objectives. It's from this point that we create a bespoke offering, completely tailored to your business needs.

With our team of experienced solicitors you can be confident that your business is in safe hands.

Our aim is simple; to provide clients with an all-encompassing legal service that successfully achieves the most effective solution.

Why Choose **Just Business**?

With **Just Business**, you have access to industry and sector expertise, together with proactive commercial insight.

It's not only our legal excellence that puts us on the map. We invest heavily in our people and processes to provide your business with effective legal support and efficiency.

We recognise that, while you want the very best in legal representation, you also need to manage your legal fees. With **Just Business** you achieve both.

Our transparent fee solutions help to ensure that there are no unwanted surprises along the way. Each case is unique and, should complexities arise, we openly advise on any financial implications and provide you with all the information you need to budget effectively.

When you instruct **Just Business** by Kirwans, you have a trusted partner to navigate you and your business on your legal journey.
