Helping You to Protect What Matters

Making time to organise your affairs can be the last thing on your mind when you are enjoying the present, but having the right plans in place today can help you and your family in the future.

We understand that preparing your loved ones for a time when you are no longer with them, or in the event that you lose capacity, can be difficult.

Whether you require a Will or specialist advice on Estate Planning, Probate, Lasting Powers of Attorney, Court of Protection, Trusts or Care Home Planning; our team is here to offer the specialist advice you need. We ensure that your affairs and wishes for the future are effectively managed, providing you with peace of mind.

Our clients are at the heart of what we do, therefore if appointments at one of our offices are difficult for you to attend, we will come to you.

Guiding You on Your Legal Journey

Our approach is simple; we invest time in getting to know our clients, which is why our advice is tailored to your needs.

We recognise that, while you want the very best in legal representation, you also need to manage your legal fees. With Kirwans you achieve both.

We like to take a transparent approach when it comes to legal fees. Every case is unique and, should complexities arise, we openly advise on any financial implications and provide you with all the information you need to budget effectively.

To discuss your legal requirements, or to find out more about our services, contact a member of our Private Client team today.
