Guiding You on Your Legal Journey

Our advice doesn't end with compensation; this is only part of your journey.

We work with key partners to assist you in your recovery. With access to expert medical care and rehabilitation specialists.

When it comes to legal fees, we like to take a transparent approach and discuss the funding options available to you in respect of your personal injury claim from the outset.

There are various ways to fund your claim, including a 'No Win No Fee' Agreement and Legal Expenses Insurance.

With our 'No Win No Fee' option there is no financial risk to you if you are unsuccessful in respect of our legal costs and we will not charge you if you don't win.

We recommend that clients secure 'After the Event' (ATE) Legal Expenses Insurance which would be deductible from damages upon the successful conclusion of your claim. This enables us to ensure that you are not faced with unexpected opponent legal fees and disbursements.
